

# APPT Minutes, Thursday, Sept. 30, 2010

I. **Call to Order:** Attendees: Rich Looney, Jerry Henderson, Nick George, Rod Brown (not a quorum)

II. **Old Business**

## **Farmers Market**

- 9/11 (did not happen)
- 10/9 (Rich, Rod, Becca and Monica)
- 10/30 (Rich, Rod)
- Need signs back, Rich to contact Monica and Becca
- Skip sign for dates we are not there
- Should have promotional materials (Rich to provide)
  - o APPT
  - o BTW

## **Highway 49 Corridor Campaign**

- Bill Haire (NCLT) and Jerry to submit encroachment permit to Caltrans in next couple weeks
- Connector project in CALTRANS workplan for 2011 (funded, on the board)

## **Website**

- BTW page updated
- Want to leverage online logging platform
- Creative Web Designs is helping us build an online community; Rich has had 2 meetings with her
  - o Rich opened his own account, that is first step to setting up APPT page
  - o She will build a page for us

III. **New Business**

## **County trail plan effort (seen Nick email)**

- Should get involved

## **IMBA trail crew visit includes how to build a better organization (Nick discussed)**

- Could be useful

## **Providence Mine - Marjon Drive (Nick email)**

- Rich – although this corridor has potential travel routes to school, or potential for connectivity between Morgan Ranch / Via Vista neighborhoods, this is advocating, SRTC cannot do that
- Looks like a trail issue
- Does not appear to be an APPT issue
- No evidence for being used by school kids now, a long route, steep
- Discuss more with BONC
- Developer may be more sensitive to creating local favor now
- Engage the developer to get a non-specific easement, route to be determined to connect Providence Mine and Marjon
- Other orgs help?
  - o Deer Creek Trails?
  - o NCLT?
  - o BONC – less interested, not pristine area that many want
- Bottom line, need a lead group on this and a champion
- Developer wants to be recognized for his donation

## **Pedometers can be effective motivator**

- Give out
- Log them into website?
- Community competition
- Research cost of pedometers (action next meeting)
- Get a sponsor?

## **Calendar**

- Next APPT regular monthly meeting is Wednesday, Oct. 27, 6pm – 7:30pm, Briar Patch

IV. **Adjournment**
